

ATLAS TECHNOLOGIES

When you made the decision to purchase equipment from Atlas Technologies, you weren't only buying the best automation on the market, you were buying the "Atlas Guarantee". You were secure in knowing that we stand behind our products. Who better to select for your equipment refurbishment needs than the company that designed and built it originally!

Refurbishment & Upgrade

Customer Wash Cart returned to Atlas after 10+ years in service for Refurbishment and Upgrade into a powered Transfer Cart.

The Atlas Approach

You can trust the Automation Experts at Atlas Technologies to restore your valuable equipment to its original specifications and beyond.

Refurbishment: Includes cleaning, painting, component evaluation, recommendation for replacement or repair and the restoration to "like new" condition.

Upgrade In addition to refurbishment, we offer improvements to the equipment to achieve the highest level of performance and capabilities available today!

Upgrade on a Transfer Cart Battery to increase product performance.

The Atlas Difference

- We have a complete in house engineering department, a highly skilled service department that is on call 24-7-365, and an estimating, sales and project management departments.
- Our state of the art facilities provide over 100,000 sq. ft. of manufacturing and office space. This makes us large enough to refurbish and upgrade complete systems, yet small enough to remain affordable.
- Our manufacturing facilities are complete with fabrication, machine shop, machine assembly and test departments.
- We strive to continuously improve our equipment and processes through R&M and VA/VE engineering.

The Atlas Guarantee

We stand behind our quality workmanship with a parts and labor warranty.

- All new Atlas mechanical components for two full years.
- All new purchased mechanical, electrical, pneumatic and hydraulic parts for one full year.
- Warranty excludes materials that are normally consumed in use.

You can trust Atlas to restore your valuable equipment to its original specifications and beyond!
